Catalogs can be bought in the secretariat or downloaded from the homepage.

If possible, pick up your number tag the day before to avoid long queues in the morning.

Gathering/information

There will not be any morning gatherings before the competitions starts. You will receive written information regarding starting times, location etc when you report to the secretariat to pick up your number tag.

Opening of competition

On Thursday 8th of August at 6 pm, there will be an official opening of the 2024 flatmästerskap as well as a presentation of the judges. Take the opportunity to pick up your number tag and visit our salesmen at the same time.

Competition

All entries need to pick up their number tag in the secretariat before start.

Shots will occur on every working test station. Only dummies will be used.

Your catalog number is the same as your entry number.

This has been drawn and can be found on bellatezzla.eu/fm2024/start.html

In all classes, everyone starts on working station nr 1 and then follow the rest in numerical order. Starting order follows the catalog numbers and there is no possibility to change this order on your own, this can only be done with the permission of the championship manager. For those of you entering multiple dogs, we have made the drawn to enable you to enter them all.

It is your responsibility as handler to make sure you are in the right place when it is your turn.

Every working station has a host to give you information about the setup of the station. It is important that you take part of this as you will not receive any information from the judges.

We will make random sample checks of tattoo/chip number on the stations to make sure the correct dog is entered so please bring your dog registration papers with you during the competition.

Lunch and coffee for the judges and helpers will be served on the stations, so please count on short breaks for this.

The championship is performed as a working test with 5 stations in all classes.

- Every station is worth max 20 points.
- Dogs with 0 points on any station can not go on to the finals.
- Dogs with 0 points on any station can not be placed before a dog with points on all stations.
- Points from the five base stations will be brought with to the finals.
- The dogs with the highest points will proceed to the finals in NKL, ÖKL and EKL.
- If two or more dogs have the same score after the finals, the dog with the highest score in the final wins. Following is the dog with the highest amount of 20 points, 19 points etc until separation can be made.
- Judging is made according to SSRK:s rules that we ask you to review before entering (to be found on ssrk.se).

Deletion/change of class

If you can not participate, please report through the link bellatezzla.eu/fm2024/start.html.

If your dog is sick, injured or in heat, the entry fee will be paid back (except an administrative fee of 50 kr) after sending a certificate latest 8 days after the championship to Ewa Haag, Åbylundsgatan 4C, 70232 Örebro, Sweden or email kassor.bergslagen@frk.nu
To change class based on awards received after entering for this championship, you need to send verification of this to the working test manager on email jakt.bergslagen@frk.nu

Drop out from competition

If you for any reason decide to drop out from the competition, you need to inform the remaining stations hosts of this

Veterinarian

There will be a veterinarian present during the championship. Certification of deworming can be made, bring your own tablets. All contact with the vet is made through the secretariat or on phone number +46-73-5172301.

Protests

Any protests shall be given to the secretariat in writing latest 10 minutes after the class is finished. Cost is 100 SEK which will be repaid if the protest is accepted. It will be handled according to the SSRK:s rules.
