Terms & Conditions for the Sale of Refurbished Devices

Zipline Europe will occasionally offer "refurbished" devices for sale *exclusively* too our valued customers. These refurbished devices are units which have been returned to Zipline Europe for a variety of reasons, which include but are not limited to; devices used at trade shows or for other merchandising purposes, demonstration units, unused devices returned to us, or devices returned due to damaged packaging or logistical challenges.

All refurbished devices are thoroughly inspected, tested and recertified to "like new" condition, with the exception of possible minor cosmetic damage. This complete recertification process includes new webbing installation.

Refurbished devices sold by Zipline Europe are warrantied against factory defects in materials and workmanship (excluding specific Field Replaceable Wear Parts) for a period of Twelve (12) months from the date of purchase. This warranty applies only to the original purchaser and is contingent upon the owner/operator maintaining and using the device in accordance with the associated operating manual, including the annual recertification requirement.

Refurbished devices are sold by Zipline Europe on a first-come, first-served basis and Zipline Europe will not reserve units for future sales or shipment. Since these devices are considered refurbished, and not sold as "New", Zipline Europe will offer the pricing structure outlined below.
