Not Too Young – Sabina Ddumba

They ask me all these questions
Give me these lectures, it's gettin' old
So many suggestions
On my direction where I should go

(Oh__)

They say “hey little girl in this world you will learn when you're older
Don't rush how you feel 'cause you'll know when it's real in time”
I don't mean to be rude but I know that we don't live forever
So I'm gonna go with my heart 'cause a heart don't lie

**They say I'm young, but I'm not too young
To know what love is, to know what love is
They say I'm young, but I'm not too young
To know what love is, to know what love is**

They tell me I don't listen
Got all the answers, Miss know it all (miss know it all)
Please quit with your predictions
On my decisions, I'll make my own

(Oh__)

They say “hey little girl in this world you will learn when you're older
Don't rush how you feel 'cause you'll know when it's real in time”
I don't mean to be rude but I know that we don't live forever
So I'm gonna go with my heart 'cause a heart don't lie
