

International Academy for Quality

2023

The Quality Sustainability Award recognizes **projects** with positive results in sustainability corresponding to the UN 17 Sustainable Development Goals, through the use of quality management principles, methodologies & techniques.

Advantages of participating include:

- Demonstrate project contribution to sustainability.
- Inspire others to integrate quality and sustainability.
- Be recognized for your achievements.

SAVE THE DATE

The global final of the 2023 QSA will be held on **December 5 from 11:00 to 16:00 CET**
Details about the program and how to join will follow. Don't miss out on this great event.
