## Updates and new Mission Volunteer Concept

Dear brothers and sisters in Christ,

Dear young section coordinators of MFC Europe,

We hope you all had a great start into the new year and are excited about how the Lord is going to bless us in 2023!

Back in November, the European mission volunteers (MVs) of *Missionary Families of Christ* had their annual MV Recollection in Riano near Rome, Italy. The annual MV Recollection portrays a weekend of prayer, rest, and quality time with one another. During this time, moreover, while some brothers and sisters decided to become MVs, others decided to end their journey as MVs. Therefore, the MV Recollection is commonly followed by adjustments, changes, and new opportunities.

Thus, we are sending you attached the newly updated **Mission Volunteer Concept** and updates. They will inform you about the adjustments, changes, and new opportunities. These include, among others, an introduction of our newest MVs, the revised allocation of MVs and mission areas, and the vision of how the MVs aspire to continue their mission in the young sections of our community.

Should the attached files not be enough and you need more explanation, please do not hesitate to contact us or the MV Core. We are open to hold a **virtual meeting** with all the young section coordinators for a Q&A.

With this, we would like to thank you and are looking forward to seeing you. We wish you and your loved ones a prosperous and blessed new year!

Yours in Christ,

Jayo and Quenie Bayno

MFC Europe MV Coordinators
